TO ALL OUR CUSTOMERS:

You may know that during 2005, Bleutec Wheels and Casters and Les Roues Bleutec Inc. was taken over by Blickle Rader and Rollen, Germany.

We have recently changed our corporate name from Bleutec Wheels and Casters to Blickle USA Wheels and Casters Inc. (effective May the 1st). We remain the North American subsidiary of Blickle Germany and should not be confused as a Distributor for Blickle.

There has been no change in management and we will continue to provide the same quality products and fine service on which we have built our reputation in the industry. We will appreciate if you can bring this information to the attention your accounts payable department.

We want to take this opportunity to thank you and tell you how we appreciate your business and your loyalty to Bleutec and its team. We will continue to offer quality products at competitive price and hope we will continue to serve you in the future.

Thank you for being one of our valued customers.

Blickle USA Team
